London District Christian Education Foundation

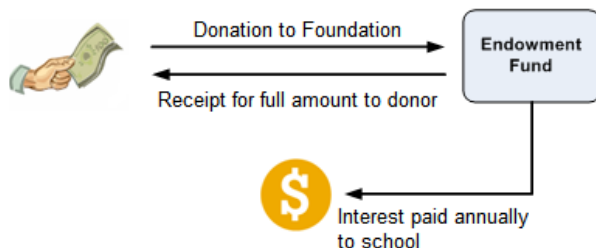

The London District Christian Education Foundation manages an endowment fund for each of these Christian schools:

- Clinton and District Christian School
- Immanuel Christian School (Aylmer)
- John Knox Christian School (Woodstock)
- London Christian Elementary School
- London District Christian Secondary School
- St. Thomas Community Christian School
- Strathroy Community Christian School

The purpose of the Christian Education Foundation is to help ensure Christian education for future generations.

All donations to the Foundation are permanently invested in the endowment fund for your Christian School.

The principal amount of your gift will never be spent, so the interest earned keeps on giving forever to the school.

As the endowment fund grows, so does the annual payment to the school.

A major challenge for the Foundation is to build up the endowment fund, and yet avoid competing with the immediate fundraising efforts of the school. One solution is to remember the Foundation in your will.

The Foundation is a registered charity, so all donations will generate tax savings for your estate.

There are many ways to support the Christian Education Foundation:

- Make a direct donation
- Name the Foundation in your will
- Leave a gift of property
- Donate shares or mutual funds
- Name the Foundation as beneficiary of a life insurance policy

See the Foundation website at **www.ldcef.org** for detailed examples of the benefits of planned giving.

The Foundation has also partnered with **Christian Stewardship Services** to promote the cause of Christian education. CSS is a Canadian charity which assists Christians with planning their personal finances, wills, retirement and charitable giving.

CSS staff provide professional, personal, confidential and cost-free financial planning services for Christians. You may contact them at the number below.

The Foundation is governed by a board of directors which is appointed by the participating schools. Directors are pleased to answer any questions about the Foundation. Call your local school office to obtain the name and telephone number of your Foundation representative.

The Foundation is a far-sighted solution to the problems of rising costs and rising tuition fees. You can leave a lasting legacy for your Christian school by donating to the Foundation.
